**Subject:** SETAC North America 40th Annual Meeting Abstract Acceptance

Dear Justin Conley,

**Congratulations!** Your abstract is accepted for the SETAC North America 40th Annual Meeting, which will take place from 3-7 November 2019 in Toronto, ON, Canada. This will be an important international meeting, bringing together professionals and students engaged in environmental science from around the globe. Please read the following details carefully as your requested session and presentation type may have changed. The committee tried very hard to accept all abstracts in requested session and format but with over 2138 abstract submissions in 120 sessions we were forced to make some changes. The final program has over 764 platform and over 1300 poster presentations. **All platform slots are full and finalized.**

Your presentation is included in the final program with the following details:

Session: Understanding Risks from Exposures to Per- and Polyfluoroalkyl substances (PFAS)

Title: Developmental toxicity of in utero exposure to perfluoroalkyl ether acids: Comparison of GenX, Nafion byproduct 2, and Perfluoro-2-methoxyacetic acid

**Presentation Type: Platform**

Room: 718A

Date: Tuesday November 5th, 2019

Final ID and exact presentation time will be sent in August.

Please review the presentation guidelines found here: <https://toronto.setac.org/presentation-guidelines/>

**Registration and Housing**

All presenting authors are required to register for the meeting. If you register by 15 August, you can save with early bird rates. Register at <https://toronto.setac.org/register/> SETAC has also negotiated discounted room rates at the conference hotels, and we encourage you to book early to ensure room availability. Reserve your room at

<https://toronto.setac.org/venue/housing/>

**Presentation Changes**

If unforeseen circumstances prevent you from presenting your accepted abstract at the SETAC North America 40th Annual Meeting, please email [jason@setac.org](mailto:jason@setac.org) as soon as possible with your information about a qualified substitute presenter or the withdrawal of your presentation.

**Compliance**

Your efforts as a presenter at the SETAC North America 40th Annual Meeting are valuable, and to provide an open and professional forum for scientific exchange, all attendees are expected to adhere to the highest standards of integrity and professionalism, and to comply with all SETAC policies <https://toronto.setac.org/deadlines/meeting-policies/> including SETAC the Code of Conduct.

Thank you for participating in this important meeting. We look forward to seeing you in Toronto in November.

Sincerely,

The SETAC North America Program Committee

You received this email because you are listed as the presenting author on a presentation to be given at the SETAC North America 40th Annual Meeting. If you feel this is incorrect or wish to opt-out, please reply to this email or contact ([jason@setac.org](mailto:jason@setac.org)).
